The speaker at the January 15 meeting will be Lion Rick Mizell, Vice President of the Georgia Lions Lighthouse Foundation, Inc. The program will be about the Lighthouse. The program for January 22 will be presented by Patrick McIntosh who is a Special Agent for Law Enforcement with the US Fish and Wildlife Reserve. There is a 5th Tuesday this month. Details will be discussed at this Business Meeting.

Two employees for the gas company were at a house call. The younger man said to the older one, "Geez, you're old!" "Yeah, that may be so, but I can still outrun you," replied the older employee.
"How about a foot race to see if your'e right," said the younger employee.
With that they start running at full speed around that block. The older man kept up with the younger man around the first corner, the second corner, the third corner. As they come up on the last corner, the younger man sees an eldery woman running as fast as her legs could carry her. Puzzled by this, they both stop ask her why she was running behind them. The old woman caught her breath and said, "Well, you were at my home checking my gas meter, and when I saw you running away, I figured I'd better run too!"
