## An Invitation to All Lions

Join Lions, Leos, Lionesses - along with family and friends from around the world - for a weeklong celebration. The 87th Lions Clubs International Convention will be held July 5-9, 2004 in Detroit, Michigan, USA / Windsor, Ontario, Canada. Club and district events are only the foundation for what is experienced at an international convention.

If you have attended convention in the past, you are aware of the pride that is felt throughout convention week and look forward to the annual gathering. If you've never been, then come for the best experience of your life!

## Georgia, USA, Club Assures Safety of Carnival Goers

The Forsyth County Lions Club became aware that the employees running the midway rides at a local fundraising fair did not have medical benefits and that a number of the workers had poor vision. The club decided to take action.

The club was concerned about the safety of children and adults in their community, and elsewhere, who rode the rides. To mark Lions World Sight Day, the club arranged for free eye exams, and 11 employees were fitted with new glasses.
