President's Comments

Happy New Year! Last year ended on a high note with a lovely Christmas Party at Johnny Harris. Attendance was great and it was fun to see our group dressed up for a party. Thanks to all who participated in the planning. It was particularly gratifying to induct new member Lance White and to have two or three potential new members in attendance.

We should maintain the momentum in 2007. Let's induct at least one new Lion each month, continue with the great speakers, and work harder to raise money for our charitable efforts. The workshop on January 6 in Garden City should provide us with new enthusiasm and skills. January is Lions Day in Georgia is January 13. What can we do? Let's make a New Year's resolution to put Savannah Port City in high gear.

Lions Day in Georgia

On January 9, 2007 the General Assembly is expected to pass a resolution, commending the Hard Work and Dedication to Humanitarian support of the communities of Georgia by the thousands of individual Lions, Lioness, and Leo Club members who make up over 300 clubs in the state. Lionism first began in Georgia with the formation of the Atlanta Lions Club in 1920. Now in the 86th year the Lions continue to provide sight and hearing conservation services to those in need. Also the Lions are among the first to arrive with aid for those who suffer natural disaster such as hurricanes or tornadoes.

Individual clubs help provide the public with eye exams and glasses. They provide a ray of hope where there was not one before. The Georgia Lions Lighthouse Foundation provides assistance for those who need major sight saving surgeries, hearing aids for those in need and direction to find those services that can and do make a difference in countless Georgia Lives. Since 1976, the Georgia Lions Camp for the Blind has brighten the lives of our visually impaired youth with the joy of freedom by experiencing camp life.

The signing of the Proclamation by Governor Perdue will take place on January 9th at 10:00 am in the Rotunda next to Governor Perdue's office. The signing will be available to the public with all Lions, Lioness, and Leo Club members who will be wearing their club vests. Persons wishing to attend the signing are requested to arrive in the Rotunda no later than 9:30 am.

For those who will be traveling to Atlanta, there is a Holiday Inn located within four blocks of the

Capitol that has shuttle service available. They can be reached at (404) 591-2000.

This Proclamation names Saturday January 13th as Lions of Georgia Day. On this day, local Lions Clubs will conduct special projects all across the state from the sales of Brooms and Mops (made by the Blind) to Diabetes Awareness and Sight Screenings.
