### LCIF Tornado Relief

This past Thursday a series of Tornadoes struck the states of Alabama and Georgia with the loss of property and lives. At the District Convention in Albany, it was reported that there was damage in Districts 18-C, 18-E, and 18-F. Emergency grants have been applied for and \$10,000 grants for each district have been approved. International Director Roy Barnette of Columbia South Carolina toured the area around Americus on Saturday. A slide show of the devastation was presented at the banquet that night. Persons wishing to contribute to the recovery effort can make donations directly to the District or by LCIF.

### From the President

March certainly roared in like a Lion in Southwest Georgia, but we were fortunate to be spared. Port City Lions begins the month on a happier note with a newly inducted member. Welcome Lion Alan. Are all of us actively looking for other members?

This month we will consider the report of the nominations committee and end the month with Sight Conservation Day, Mar. 31. Let's continue to work vigorously in behalf of the sight and hearing impaired.

### Sight Conservation Day

The Port City Sight Conservation Day is Saturday March 31. We will be collecting donations from the public on this day. We will finalize locations and ask members to sign up for this day. Funds raised from this project will be sent to our charities.

### Peace Poster Contest

This year's Grand Prize Winner is Min-Ji Yi. The poster was sponsored by Tarzana Lions Club, California.

"My poster represents the harmony of all the countries in the

world coming together as one. Just as music creates a peaceful melody, the world should be able to also."
