## Monthly News

### From the President....

It is already the third month of the Lions year and each one of us ought to make an assessment of our accomplishments in Lionism. Is our Lions club relevant to the community? That is, do our Savannah neighbors know about Lionism because we have engaged in a project which has helped the community? Do we have plans for community service?

Have we engaged in any fund raising activities? We are planning a broom sale for Sept. 15, but are there other activities through which we might increase our welfare fund?

Are we having fun? I hope so.

By combining our time, talents, energy and best thinking, I know the Port City Lions can make a difference.

### Eyeglass Collection Box

Pictured above is a Wilmington Island Lions Club Eyeglass box that is located in front of the Wal-mart on Whitmarsh Island. This box appears to be capable of indoor or outdoor use. Boxes like this can be constructed and placed for collection of eyeglasses, hearing aids and cell phones.

For this project to be successful, we need first, approval from the club, second locations to place these boxes and Lions able to build these boxes. Estimated cost per box is \$ 85.00
