Zone Meeting Planned

The first Zone Meeting of the Lions Year will be Monday, August 28. It will be held at the Holland House. Social Time is 6:00 p.m. with the meeting at 7:00 p.m. Lion Bob Bovee, PDG is the featured Speaker. The program theme is membership. All Lions are urged to attend this important meeting and learn more about Lionism and meet members from other clubs. For more information about the Zone Meeting contact Lion Rick Mizell.

Anniversary

Anniversaries are often said to be events mostly forgotten. This one however was not. What anniversary is it you might ask or who would care if it was known? But I am mentioning it anyway. Perhaps in our complacent way we just fail to think about these things. Anyway the anniversary I am reporting in this newsletter is the fact that this newsletter marks the completion of 10 years publication of a newsletter for this club. Now here is a few questions for the seasoned Lions of this club. 1. Who was the District Governor 10 years ago this month? 2. Who was the President of this club. 3. Who started the newsletter? 4. Where did we meet? 5. How many PDG's did we have in our club at that time? 6. What important change in our constitution did we approve about that time? Make sure you have the answers ready in case the Tail-wister asks for the answer.

Birthdays and Anniversaries

Anniversary Jennifer & Scott Eisenhart	August 24
Birthday Christopher A. Barbieri	August 18

There's no stopping him...

Is the title of a newspaper article that appeared in the July 19, Southside Closeup. That article featured our own Lion Larry Winters PDG. The article was very well written about Larry and his service for Lionism. Copies of this article are available for anyone who has not seen it. Unfortunately right after the article was written, Larry went to Leader Dog School with the new District Governors, had a mishap in the baggage claim area at the airport and ended up breaking a leg. Word is, Larry is recovering.

Cabinet Meeting

The first Cabinet Meeting of the Lions Year was held in Patterson, Georgia on Sunday, July 22. This was the organizational meeting for the district. In attendance for our club was PDG Chris Barbieri, Lion Chip Lingle and Lion Rick Mizell.

Mary Ann and Chris

Lions Mary Ann and Chris Barbieri was married on July 1. A reception in their honor was held on July 8 at the Johnny Ganem Rebel Room. Lion Mary Ann was a member of the West Hartsford Lions club and has served in many positions in that club including Club President. Lion Mary

Ann is moving to Savannah and has filed transfer papers to transfer to our club. Congratulations to Mary Ann and Chris.
