December 2000

A Tree of Lights

Pictured above is the Christmas Tree that is on display at the Savannah Civic Center. The ornaments on this tree are symbols of the work of Lions and the charities that Lions support. Topping the tree sits the King Lion, proud guardian of the tree. Eyeglasses and Hearing Aids will be added later to symbolize the work that Lions do to aid those with Sight and Hearing Impairment. Many thanks to all of the Lions and sponsors that made this project possible.

St. Mary's Home

The members of Port City Lions Club are again providing the children of St. Mary's Home with gifts of Christmas. Everyone is reminded to see Lion Martha Bovee for a name of a child if they have not done so already. Gifts should be \$15 to \$20 in cost and they should be brought to the business meeting in January.

Welcome new Member

We welcome our newest member to our club, Lion Linda Githens who joined our club in October. Lion Linda lives at 12471 Northwood Drive. Telephone 925-1267.
