## Promoting the Arts

Each year's contest consists of an original theme incorporating peace. Participants use a variety of mediums, including charcoal, crayon, pencil and paint, to express the theme. The works created are unique and express the young artists' life experi-

ences and culture.

## Spreading Peace and International Understanding

Twenty-four international finalists are selected each year, representing the work of more than 350,000 young participants worldwide. Posters are shared globally via the Internet, the media and exhibits around the world.

### Judging

Each poster is judged on originality, artistic merit and expression of the theme.

Posters advance through several judging levels: local, district, multiple district and international. At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners.

### Awards

International winners will be notified on or before February 1.

One international grand prize winner will receive a trip to a special award ceremony with the sponsoring club president and two family members at Lions Day with the United Nations in New York City, New York, USA (subject to change). During the ceremony, the winning artist will receive an engraved plaque and a cash prize of US\$2,500.

Each of the 23 merit award winners will receive a cash award of \$500 and a certificate of achievement.
