

Lions of Georgia

Handbook

Third Printing
2007

About this Handbook

The handbook you are holding was designed for the benefit of Lions Club Leaders across Georgia. Although much of the material is available online from the Lions Club International web site, the Georgia Lions Leaders felt that having a single resource book would help clubs better access vital information. This is the third printing of this handbook. Additions and updates abound in this edition.

As with any project of this size, it takes a team to pull it off. So, I want to note with great appreciation the following Lions for stepping in and assisting in the production of this third edition:

DG Sandy Mercer

Lion Peggie Chapman

PDG Lillian Shurtleff

PDG Tom Jackson

PDG Rick Miizell

Of course, Peggie, Lil and Rick have also helped with the prior additions.

The following Lions wrote sections in earlier editions that, although updated, remain largely reprinted in this edition:

ID Beverly Roberts

PID Myers Banister

PDG Haynes Townsend

Camp President Ed Ressler

DGE Ruth Payton

Of course the Council of Governors for each printing of the Handbook deserve credit for putting their obligations to local clubs first!

Finally, if you see items that could be improved, please let me know. No one likes to have typos and other errors pointed out, but that is the best way of getting them corrected.
